

2019 NATIVE PLANT EDUCATION FIELD TRIPS

LEARN PLANT FAMILIES & KEY CHARACTERISTICS
HUMAN/ECOLOGICAL RELATIONSHIPS

MAY 17: 9TH ANNUAL CONFLUENCE

Explore the unique river canyon plant communities along the Dolores River Road between Bedrock and Uravan, CO. This section of the canyon is home to the rare *Astragalus linifolius* (Grand Junction Milkvetch) and the desert-steppe canyon *Galium coloradense* (bedstraw).

This class meets 9 am-4 pm. The cost is \$25.
Sign up by May 15 by 4pm.

JULY 11: THE MEADOWS/ WINTER TRAIL

We will explore the area around Dunton Meadows and the Winter Trail near Dunton and Rico. You will get to know both upland and riparian plants in this subalpine meadow and forest, starting about 10,000'. More details will be given to class registrants as the time approaches.

This Class meets 9 am till 4 pm. Cost is \$25.
Sign up by July 9th at 4pm.

**Instructors: Yvette Henson- SMB/CSU Ext Director,
Connie Colter & Marilyn Allen, Native Plant Masters**
